So Far as Uncle Sam's Postal Man Can Do It.

RAILWAY BUILDING BOOM

Has Struck Oklahoma in at Least Two Places,

Guthrie, O. T., Nov. 29 .- (Special.)-United States Inspector Beebs stated togay that the government was no longer Interested in the case of Katherine Frinkt, she alleged deaf and dumb woman who has been guiling the people of Oklahoma City for a week or more and incidentally keeping the balance of the territory in a sinte of suspense as to the identity of the Villain who first swindled her and then induced her to make a long and fruitless trip to this country from Holland. The Inspector's investigation shows conclus lvely that the young woman's story about Bending money and express through the malls is utterly false and he tharacterizes her as an impostor, an opin-Ion that is corroborated by statements from other places where she has played the deaf and dumb racket and excited th sympathy of the people with her story of distress. It is not likely the young we Inan will be prosecuted, unless it be by the people who have befriended her a Dkinhoma City.

Raffway building, which was temporar By thrust in the background during the on paper, at least. The latest project is Inis line as the organization of the Arkansas, Guthrie and California Railway company. the orminizers and directors of which are Henry Hudson, Chicago; J. W. McNeal, J. M. Brooks, A. A. Humphrey Frank H. Greer, W. H. Coyle and H. L. Miller, Guthrie, and W. S. Search, Shaw The officers are: Henry Hudson president; H. L Miller, vice president; A A. Humphrey, secretary; J. W. McNeal, treasurer. The capital stock of the company is \$5,000,000; in shares of \$100 cach Mr. Hadson, the president, is a Chicago attorney who is in touch with capitalists and railroad builders. He thinks the resources are easily at hand to build this road as seen as the survey and prospectus can be had. The commany expects to begin the survey within ten days.

Talk of the extension of the Kansas, Oklahoma Central and Southern railway Inst teen revived by a dispatch to the State Capital from Coffeyville stating that Superintendent A H Webb, of the Missouri Pacific, together with a corps of surveyors and engineers, arrived in Caney Monday for the purpose of going homa Central and Southern reliroad, They will examine the present physical ition of the road, as well as calculate the value, from a railroad standpoint, of securing the road and making it a part of the Missourl Pacific system. Then they will make their report to the company's officers at St. Louis and New York. It is generally believed that the Missouri Pacific can make more out of the new line In any other company can. This company has no line in the southwest except by has no line in the southwest except by Texas division of the Iron Mountain, lich is far from the field touched by the wroad. Then in getting the new road in the schooner sailed from Charles and the school of the local school of the school of the Iron Mountain, lich is far from the field touched by the word of the Iron Mountain, and were brought ashore to surgical attendance on the vessel were school of the Iron Mountain, lich is far from the field touched by the school of the Iron Mountain, and was there are the days at Spooney as well as the control of the Iron Mountain, and were rescaled from the schooner D. K. Baker, which was abandoned in a sinking condition, and were brought ashore to might. The schooner sailed from Charles and the school of the Iron Mountain, and were rescaled from the schooner and the school of the Iron Mountain, and were rescaled from the schooner and the Iron Mountain, and were rescaled from the schooner and the Iron Mountain, and were brought ashore to the Iron Mountain, and were rescaled from the schooner and the Iron Mountain, and were rescaled from the schooner and the Iron Mountain, and Iron Mountain than any other company can. This company has no line in the southwest except which is far from the field touched by the new road . Then in getting the new road hight. the Missouri Pacific will have a short line from the Texas Panhandle, Guthrie and El Reno to Kansas City and St. Louis. COURT OPENS AT EL RENO
